Board of Selectmen
Holderness, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Holderness for the fiscal year ended December 31, 1954, which was made by this Division in accordance with the vote of the Town.

Scope of Audit

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Road Agent, Fire Department and Trustees of Trust Funds.

FINANCIAL STATEMENTS

Comparative Balance Sheets—

December 31, 1953—December 31, 1954:

(Exhibit A)

Comparative Balance Sheets as of December 31, 1953 and December 31, 1954, are presented in Exhibit A. As indicated therein the Surplus increased by \$70.27 in 1954.

Analysis of Change in Financial Condition:

(Exhibit B)

An analysis of the change in financial condition of the Town during the year is made in Exhibit B, with the factors which caused the change indicated therein. These were as follows:

Increases in Surplus

Increase in Accounts Receivable	\$ 2,760.69	
Increase of Cash in Hands of Officials	77.77	
		\$ 2,838.46

Decreases in Surplus

Net Budget Deficit	\$ 2,212.38	
Increase in Accounts Payable	555.81	
		2,768.19
Net Increase	\$	70.27

Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues:

(Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1954, are presented in Exhibits C and D. As indicated by the budget summary (Exhibit D), a net overdraft of appropriations of \$5,888.38, less a net revenue surplus of \$3,676.00, resulted in a net budget deficit of \$2,212.38.

Summary of Receipts and Expenditures:

(Exhibit E)

A summary of receipts and expenditures for the fiscal year ended December 31, 1954, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of December 31, 1954, is indicated in Exhibit F.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records.

General Comments

Overdraft of Appropriations:

The budget summary (Exhibit D) indicates:

Overdraft of Appropriations	\$ 7,180.47
Unexpended Balances of Appropriations	1,292.09

Net Overdraft of Appropriations \$ 5,888.38

It is noted, however, that in accordance with the provisions of the Municipal Budget Law authorization to exceed budgetary appropriations was requested by the Selectmen and Budget Committee and granted by the Tax Commission as follows:

Sept 9, 1954—\$2,500.00 A/c Highway Maintenance
Oct. 7, 1954—\$3,419.26 To complete T. R. A. Project

Road Agent's Account: (Exhibit L)

A statement of the Road Agent's Account is presented in Exhibit L. This may be summarized as follows:

Total Amount Received	
from Town	\$ 11,032.78
Received for Private Work	164.00
Balance due Road Agent from Town	
a/c Payroll errors and Bank	
Service Charges	65.78
	\$ 11,262.56

Total Checks Issued by Road Agent and Bank Service Charges	\$ 11,031.74
Cash Payments made by Road Agent	158.95
Accounts Owed by Road Agent	56.50
Cash on hand and in Bank Necessary to Balance Account	15.37
	\$ 11,262.56

In order to balance the Road Agent's Account for the fiscal year the following procedure should be followed:

(1) A town order and check in the amount of \$65.78 should be issued to the Road Agent.

(2) Road Agent should pay unpaid 1954 payroll items and amount due Director of Internal Revenue, amounting to \$56.50.

(3) Road Agent's Account should have a Cash Balance of \$15.37, after transactions indicated in (1) and (2) have been completed.

All money received on account of private work done by the Road Agent should be remitted to the Town Treasurer.

It is recommended that a town order and check be issued to each individual whose name appears on the Road Agent's payrolls. This procedure would replace the present system of issuing town orders and checks to the Road Agent for the total amount of payrolls which necessitates the maintenance of a separate bank account by this official and the issuance of payroll checks.

Conclusion :

We extend our thanks to the officials of the Town of Holderness for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission
